

Safety Brief #100: Cessna's N5178S and N3517S POH updates (6/16/2024)

CFI Teamsters,

Both N5178S and N3517S (Cessna 172R 160HP) now have correct POH/AFM as of last week and are in the aircraft. These are now correct and match their engine and performance as the 160HP model.

Have fun, stay safe.
